## Page 2 – NEEDS/PROBLEMS/COMMENTS:

1. This petition does not provide any accounting in the form required by Probate Code §§ 2620, 1060, or any mandatory schedules on the required Judicial Council forms.

Need amended petition with accounting, schedules, including required mandatory form for summary. Although Petitioner has been appointed Guardian in Oklahoma, this Court retains jurisdiction for settling accounts pursuant to Probate Code §2630.

The only schedule provided at Exhibit B is a statement of property on hand, labeled as “receipts,” but which does not show any account summary, receipts, disbursements, etc., and further indicates that the conservatorship estate cash has been reduced by \$11,722.70 without explanation.

Note: The Conservatee’s interest in the Virginia real property is not an asset of this conservatorship estate, but should be referenced in its own schedule pursuant to §1063(h).

2. This petition is not verified by the Conservator as required by Probate Code §§ 1021, 1023.  
(Note: §1023 provides that an attorney may sign or verify on a client’s behalf if he or she is absent from the county unless the person is a fiduciary appointing in the proceeding.)
3. Petitioner requests attorney’s compensation pursuant to Exhibit C, but no Exhibit C is attached.
4. Need Notice of Hearing.
5. Need proof of service of Notice of Hearing at least 15 days prior to the hearing pursuant to Probate Code §1460(b)(6) on:
  - Morgan Elizabeth Pasley (Conservatee)
  - Debra Pasley (Conservator/Fiduciary, since the petition is not verified by her)
  - David Hal Jones (Father)
6. *The Court may also require notice to the surety of any continued or future hearings.*

Filing fee of <b>\$435.00</b> for the <i>Petition to Compel Accounting</i> is currently due from Petitioner, who filed the <i>Petition</i> using a fee waiver, which is pending. The <b>\$435.00</b> filing fee is appropriately payable from Trust assets. <i>Declaration of Clerical Error and Omissions</i> filed 10/2/2015 states "Petitioner agrees that a filing fee should be paid by Walter Morris, Trustee of the <b>GARY F. 4. *Schedule A2, Receipts*, contains question marks at entries dated 4/22/2014 of **\$1,100.00** and 5/6/2014 of **\$10,000.00**. Need clarification.
5. *Petition* states a list of Trustee's time and mileage in support of request for trustee fees is attached as Exhibit A; however, no Exhibit A is attached. Additionally, Court may require an itemization of attorney services to support the attorney fees already paid from the Trust of **\$768.50**.
6. Court may require explanation for the large expenditure listed in *Schedule C1, Disbursements*, dated 6/4/2014 to "Motoring Cal. Co." in the sum of **\$36,200.00**.
7. Need proposed order pursuant to Local Rule 7.1.1 (F).

***Beneficiary Gary Morris, Jr.'s. Objection to First and Final Account and Report of Trustee and Petition for its Settlement filed 9/22/2016 states:***

- Gary Morris, Jr. objects to the former Trustee's request for the account to be settled, allowed, and approved on the grounds that it is incomplete and lacks sufficient information;
- Probate Code section 16063(b) provides that an accounting submitted to be approved by the court must comply with Probate Code section 1064, which provides that a petition for approval shall contain "a description of all sales, purchases, changes in the form of assets, or other transactions...that are not otherwise readily understandable from the schedule." The Petition must also have "an explanation of any unusual items appearing in the account."

~Please see additional page~

**Beneficiary Gary Morris, Jr's. Objection filed 9/22/2016 continued:**

- The Accounting provided by the former Trustee reflects Charges in the amount of **\$376,000.00** and credits in the amount of **\$373,654.07**. This leaves a difference of **\$2,345.93** that is unaccounted for in the Accounting and not explained in the Report. Objector requests the Accounting be amended to show the whereabouts of this missing amount.
- Objector objects to the former Trustee's request for compensation and reimbursement. Trustees are required to administer the trust as a prudent person would, "with reasonable care, skill, and caution." (Prob. Code sec. 16040(a)). The Trustee failed to administer the trust properly when he refused to provide an accounting, forcing Objector to file a Petition to Compel the Accounting. The Petition to Compel the Accounting was filed 8/27/2015 and it took almost an entire year for the Accounting to finally be submitted.
- The Trustee further failed to administer the Trust properly when he refused to continue payments for Objector's housing, forcing Objector to file a petition for payment. Because the former Trustee failed to administer the Trust as a prudent person would and because he caused so many costly delays, the former Trustee should not be compensated or reimbursed, or the amount awarded should be reduced within the discretion of the Court.

**Objector prays that:**

1. The Petitioner's request for approval of the First Account be denied;
2. The Petitioner's request for approval and allowance of the former Trustees' fees and reimbursement be denied, or the amount awarded reduced within the discretion of the Court;
3. The First Account be amended to correct the insufficiencies described.

**Proof of Service by Mail filed 9/22/2016 shows a copy of the Objection was served to all parties entitled to notice on 9/22/2016.**

- ii. During the same period of time, by reason of the relationship of Decedent with Respondent, Respondent was able to exert control and influence over the mind and actions of Decedent to such a point that Decedent was no longer capable of exercising her own conviction or desire with regard to her actions or thoughts, but instead because of the pressure brought on her by Respondent, both by argument and entreaty, Decedent's convictions or desires became the convictions or desires imposed on her by Respondent.
  - iii. During this time, while Decedent was under Respondent's undue influence, Respondent suggested the contents of the document submitted for probate to this court by Respondent, arranged for execution of the document, and cause Decedent to execute the document. At the time the document was executed, Decedent was wholly under the influence of Respondent and the document does not represent the free and voluntary act of Decedent.
  - iv. During this time, while Decedent was under Respondent's undue influence, Respondent selected an attorney to prepare Decedent's purported Will, contacted the attorney and made an appointment for Respondent and Decedent to meet with the attorney, took Decedent to the meeting with the attorney, participated in the meeting with the attorney and Respondent, and was present when the Purported Will was executed by Decedent.
- c. Contestant is informed and believes and on such information and belief alleges that the document was not executed by Decedent and attested in the manner and form required by law for the execution of the Will.

Wherefore, Contestant requests that the Purported Will be denied probate, for costs of suit, and all other proper relief.

**Note:** Petitioner requests various additional powers that are do not appear applicable to this proposed conservatee's situation, including under §§ 1873, 1901, 2351-2358, and 2590.

**Note:** Petitioner requests dementia medication and placement powers under Probate Code §2356.5 via separate ***Petition for Exclusive Authority to Give Consent for Medical Treatment*** (Page B). However, this request is typically included within the conservatorship petition by checking #1k.

**Therefore, this petition is reviewed as a petition for conservatorship with:**

- **Medical consent powers under §2355**
- **Dementia medication and placement powers under §2356.5.**

1. Petitioner did not include the *Form GC-313 Attachment Requesting Special Orders Re Dementia* with this petition or with the separate petition. Need GC-313 if dementia medication and placement powers are requested.
2. Also, if dementia powers are requested, continuance is necessary in order for an attorney to be appointed for the Proposed Conservatee pursuant to Probate Code §2356.5(f)(1).
3. Need Capacity Declaration (GC-335) together with separate Dementia Attachment (GC-335A) if dementia powers are requested.

5. Petitioner's Notice of Hearing filed 7/27/16 does not indicate that a copy of the petition was included with the service, and it appears some relatives were omitted from the list. Also, because additional powers are requested as set forth above, the additional Dementia Attachment will need to be included in the service.   - Daniel Haro (Grandson)(Note: Cal. Rule of Court 7.51 requires service to minors and to their parent or guardian.)
6. The petition is blank at #3e re estimated value of conservatorship estate. Need declaration setting forth the character and estimated value of the property of the estate, including personal property assets, annual income, and real property, as requested at #3e.
7. Pursuant to Probate Code 2320(c)(4) and Cal. Rule of Court 7.207, conservator of the estate must furnish bond including cost of recovery. Need estimated value of conservatorship estate per #6 above to calculate bond. Based on income alone as reported by the Court Investigator, bond should be at least \$73,352.40.

**Note:** If granted, the Court will set status hearings as follows:

- **Tuesday, Nov. 8, 2016 for filing of bond;**
- **Tuesday, Jan. 31, 2017 for filing the Inventory and Appraisal**

Order to Show Cause

<b>DOD: 1/13/15</b>	<b>ROBERT SEAN BAKER</b> , Son, was appointed Administrator without IAEA and without bond on 6/8/15.	<b>NEEDS/PROBLEMS/COMMENTS:</b>  <b>Minute Order 9/20/16:</b> Counsel represents that he received a text message just before court indicating that he was in a traffic accident. Counsel requests a continuance and represents that the property is still in the estate with his client paying the mortgage.  <b>Note:</b> Final I&A filed 1/11/16 indicates real property in Del Rey, CA, valued at \$350,000.00. Pursuant to a declaration filed 6/5/15, the mortgage on the property was seriously delinquent at the decedent's death and the Administrator paid out of pocket to stop the non-judicial foreclosure. Administrator is the sole heir; however, various creditor's claims have been filed.  <b>1. Need first account or petition for final distribution pursuant to Probate Code §12200 or written status report pursuant to Local Rule 7.5.</b>
<b>Cont. from 092016</b>	At the hearing on 6/8/15, the Court set a status hearing for 8/9/16 for the filing of the first or final account.
